

IMPORTANT INFORMATION

Dear Members':

Health and Welfare:

The trust fund office is still closed to walk-ins per the executive order of the State of California. Please contact our office at 1-800-922-9902 for any questions regarding your healthcare questions or concerns.

The DC16 Summary of Materials Modifications regarding the COVID19 Eligibility extension for **May** coverage will be mailed separately. Please look for it in the mail as well as the dc16 website. Please note these extensions will be reviewed month by month during the shelter in place order.

The Trust has also now approved to waive costs for treatments as well as tests related to COVID -19 for all eligible members.

Bay Area Painters Vacation:

Previously Bay Area Painters Vacation payment posted at end of the second month. Going forward all vacation money will post to the Operating Engineers credit union by the 5th of each month for the prior work month, if your Employer reports on time. If you had worked hours in February, you received your transfer to the credit union on 4/22. Your March hours will post by May 5th.

Regarding Hardship withdrawal questions:
